

# King's College London MRC iCASE studentship opportunity Co-funded with an Industrial Partner

Aim: Industrial CASE studentships (Collaborative Awards in Science and Engineering) allow postgraduate research students to receive research training in collaboration with a non-academic partner. Involvement of partners should be collaborative and add value to the studentship project while advancing the activity of the partner organisation.

### PhD Summary:

- 4-year studentship
- Minimum 3 months industry placement
- Responsive project approval (no submission deadline)
- Projects are peer-reviewed
- Project must align with a program research theme

#### Research Themes:

**Advertisement** 

& recruitment

- Cells, Molecules and the basis of Health and Disease
- Neuroscience and Mental Health
- Biomedical Engineering and Medical Imaging

## Project Development Procedure:

Identify KCL Academic

Collaborative project design with Academic

Project submission led by Academic

**Project review**

engineering

2025 Intake Timeline:

Project Call Launch*	Apr. 24
Project Call Closes	Jun. 24
Recruitment period	SepOct. 24
Contract agreement	Sep Feb. 25
Interview	Feb. 25
Start of PhD	Oct. 25

<sup>\*</sup> An additional call might be launched before November 2024 depending on the number of projects awarded.

# Sample of participating **KCL Research Institutes / Centers:**

NB: None exhaustive list

MRC Centre for Neurodevelopmental Disorders

division of cell and

molecular biophysics

#### **Partner Benefits:**

- Access to exceptional students
- R&D licence and the opportunity to negotiate commercial rights to IP
- Interaction with leading medical researchers
- Access to King's College London research infrastructure
- Collaborative research with King's College London and King's Health Partners NHS trusts

### Partner Contribution:

- At least £17.5K annually each
- Full placement cost covered by partner
- Additional in-kind support
- Co-supervision of the project
- Interviewing of PhD candidates

For full details on how to submit a project proposal to the MRC DTP visit https://kcl-mrcdtp.com/ Enquiries can be sent to the MRC DTP Industrial PhD Coordinator at stefania.boscolo@kcl.ac.uk
